# Once is good. Twice is better. Give one employee discount to anyone!

Active employees can share one employee discount with a friend or neighbor!<sup>2</sup> You made this program a success by helping lots of friends and neighbors drive a GM vehicle in July and you can do it again for a limited time.

It's easy to help them save:

1. Just log in at [gmfamilyfirst.com](http://gmfamilyfirst.com) and select "Employee Discount for Friends" from the left navigation bar.
2. Enter the purchaser's date of birth and ZIP Code.
3. Select "Prospect" from the Purchaser's Relationship drop-down menu.
4. When you get the authorization number, have your friend take it to their GM Dealer right away!

The authorization number will expire soon, so make sure to tell your friend or neighbor. Log on to [gmfamilyfirst.com](http://gmfamilyfirst.com) now!

Build the vehicle you want and [see the GM employee price](#).

Remember to combine most [current incentives](#) for an even better deal.

**Note: The sale of any vehicle purchase program authorization number or other unauthorized use of such numbers is prohibited. Review the program [Rules and Guidelines](#) for details and possible sanctions.**
