The General Motors Certified Service Employee Discount Program (The Program) provides eligible Participants (The Participant) residing in the United States with the opportunity to receive a discount toward customer pay services at participating dealerships in the United States. By utilizing The Program, both the eligible GM Participant and The Sponsored Purchaser, as defined below, acknowledge these Rules and Guidelines and agree to abide by them. It is the responsibility of The Participant to know the rules of The Program as set forth in this document and to make them known to their Sponsored Purchasers.

Overview

All active U.S. Hourly and Salary employees or GM Retirees that visit their local participating GM dealership for customer pay transactions of $25.00 or more on the service lane, in the body shop or over-the-counter parts department purchases (GM/ACDelco parts only) are eligible to receive a discount toward their purchase. Eligible employees, retirees or their Sponsored Purchasers must supply the participating dealership with their unique authorization number at time of transaction (write-up/purchase). Limit one certificate per visit. Discount cannot be used toward deductibles. The discount is based on the total customer pay Repair Order values (before tax and shop supplies) as follows:

The Program may be withdrawn at any time, and its terms are subject to change from time to time by General Motors. Final decisions in all matters relating to the interpretation of any rule or phrase of this activity rest solely with General Motors.

Additional Information

If the dealer you visit is not willing to extend the discount toward your eligible customer pay event under the GM Certified Service Employee Discount Program, you may visit another GM Dealer that is participating in the program. Dealer participation
is voluntary. Dealers are not required to participate in the GM Certified Service Employee Discount Program. To determine a specific dealer’s willingness to extend the discount under The Program, you must contact the dealer directly or visit the GM Certified Service website/dealer locator for a list of participating dealers in your area. The Program does not constitute an agreement between GM and any purchaser for the purchase of any customer pay service at a specific price. However, by use of The Program, The Participant and Sponsored Purchaser acknowledge The Program’s Rules and Guidelines and agree to abide by the same program Rules and Guidelines. General Motors may unilaterally modify, change or withdraw The Program at any time. The Participant will receive an electronic confirmation each time an authorization number is requested. Participants are required to report any unauthorized use immediately. Those who do not report any suspicious or unauthorized use of authorization numbers after they have been submitted on their behalf may be subject to the sanctions referenced in the Program Rules section. Failure to comply with an audit request may subject The Participant to the consequences referenced in the Program Rules section. General Motors has the final decision on all eligibility requirements. GM may modify the Rules and Guidelines of The Program at any time, in its sole discretion.

Compliance with Applicable Laws

If any law or regulation is adopted or interpreted which, in GM’s opinion, prohibits or penalizes the implementation of The Program, GM may, in its sole discretion, cancel The Program or any order submitted pursuant to The Program without any further obligation and without any liability to either the dealer or The Participant. GENERAL MOTORS TERMS AND CONDITIONS CANNOT BE MODIFIED BY ANYONE OTHER THAN GENERAL MOTORS. (Rev.10/23/17)
